Republican candidate for Governor. Harding has long favored the liquor interests. He is opposed by E. T. Meredith, of Des Moines, a highly respected business man and editor and owner of "Successful Farming," the best known farm paper in lowa.

Meredith has amassed a large fortune, has a clean record, and has long been known as an independent reformer.

Newspapers Aid Meredith.

Meredith is being supported by more than fifty normally Republican newspapers of the state, the more prominent of which are the Des Moines "Register and Leader," the Council Bluffs "Nonpareil" and the Sioux City "Tribune," and the Des Moines "Tribune," the "Drys," the Methodist Church in Iowa, and many independents and thousands of Republicans.

In spite of this powerful support which Meredith enjoys the drift seems to be for Harding. He is backed by the Cummins-Kenyon-Rawson faction and the strong state organization. The river counties on the Mississippi and the Missouri, which are strong "wet" counties, will be for him. The "old guard" is for him; he is really their own candidate, and with all this he will get thousands of German Democratic votes.

These Germans, who have been lifelong Democrats, have liberal liquor views. Harding and his record suits Newspapers Aid Meredith.

Science Confirms the Lore of the Indians

Long before the coming of the white man, the Seneca Indians collected mineral oil from the surface of water in pits dug in the oil sands. A French mis-sionary visited the Western Pennsylvania wilderness in 1627 and was told that the crude petroleum thus obtained was good for rheumatism and skin diseases. Used internally, the Indians declared. it killed a serpent that lived in the intestines and caused ab-

physician prescribes mineral oil as the safest, most rational treatment for constipation. Nujol is the modern version of the Indian specific. It is not a laxative or a purgative. Its action is to soften the intestinal contents and so make natural movements easy.

All druggists carry Nujol which is manufactured only by the Standard Oil Company (New Jersey). Avoid substitutes. Write today for booklet "The Rational Treatment of Constipation."
